

Dear Producers:

On the next **30th April, 1th y 2th of May 2022**, the 4rd edition of the International Contest of Wines, Spirits and AOVE "INTERNATIONAL ADWARDS VIRTUS" will be held in Lisbon.

- Once again the organization of the contest is in charge of a team with a proven experience, which will make "**VIRTUS LISBOA 2022**" one of the most important Contests on the international scene.
- **Lisbon** is the capital of Portugal, one of the states of the European Union of great wine culture, with a higher level of consumption than production and very open to wine, oils and spirits; What is a good incentive for the marketing of its products in the European market. If you have a good quality oil, wine or spirit, think you deserve to submit it to a contest. Getting a prize is a quick way to make your brand position in the market. Presenting an international competition is a good investment in the short and medium term.

Yours Sincerely,
TOMÁS DE SOTO RIOJA
General Manager "VIRTUS"
